Ref. No.: 2023-017

Susie Kemp, Local Program Director
INDOT Crawfordsville District
41 West 300 North
Crawfordsville, IN 47933

Dear Ms. Kemp:

By this letter I am administratively modifying the FY 2022-2026 TIP. We are moving a portion of the STBG funds that have been allocated to the Yeager Road project, des #1401281, to the Carbon Reduction and PROTECT funding categories. This change aligns to the amounts that are shown in the December 31, 2022, INDOT's Lafayette MPO summary. The overall total amount does not change. The attach spreadsheet shows we are moving \$775,173 in STBG funds to the Carbon Reduction program funding and \$165,510 to the PROTECT program funding.

The document will be updated and then placed on the APC web page: www.tippecanoe.in.gov/APC. We will notify you when this occurs. Please call if you have any questions or need additional information.

Sincerely,

David Hittle
Executive Director
